One day Workshop on Intellectual Property Rights "Awareness and Training Programme"

IPRATP-2018
24th February 2018

Organized by
Department of Chemistry, University of Rajasthan, Jaipur (INDIA)

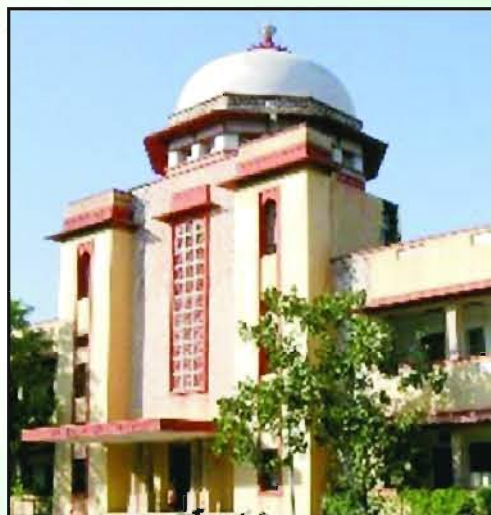

Supported by
Department of Science & Technology (Govt. of Rajasthan)
&
DST-PURSE, UOR, Jaipur

About the University

The University of Rajasthan is well known for being the oldest Institution of higher education in Rajasthan. It was established as "Rajputana University" on 8th of January, 1947. It is situated in the heart of the Pink City Jaipur. It is a hub for higher education, has earned several laurels including University with Potential for Excellence and credited with 'A' grade by the National Assessment and Accreditation Council (NAAC). The University offers Undergraduate, Postgraduate, M.Phil. and Ph.D. programmes in 9 different faculties at 37 Departments, 22 Research Centers and 6 Constituent Colleges. The University provides state-of-art research facilities which are supported by different grants like UGC-SAP, UPE, DST-FIST, PURSE, DST – SAIF etc.

About the Department

The Department of Chemistry came into existence in 1960, it offers M.Sc. in Chemistry and Ph.D. courses at University campus and B.Sc. pass and honors courses at two constituent Colleges. The Department is well known for its par excellence in academic and research programme in various areas of Chemistry both Nationally and Internationally. The Department has been recipient of various grants from National agencies like UGC-SAP, DST-FIST, UGC-CAS, UGC-BSR etc. The Department has well equipped research laboratories and sophisticated instruments. The Department is acknowledged for high quality research at National as well as International levels. Majority of PG students qualify NET examination and/or successfully compete in national level tests of ONGC, NTPC, UPSC, GSI, BARC, ISRO, DRDO, Forensic Research Laboratories, CSIR Laboratories, Petroleum and Pharmaceutical companies to get placements.

About the Workshop

This is an awareness building workshop primarily to raise awareness about the Intellectual Property Rights (IPR), Concept of IPR, benefits of IPR, process of filling patents and experience sharing by those who have previously obtained patents.

Objectives of Workshop:

- To create awareness and basic understanding about intellectual property rights (IPR), constitutional provisions and protection of disclosure of information's.

- For providing necessary guidance about various procedures of patents search and application filling.
- Prospective entrepreneur, researchers, academicians will be informed about the concept of IPR, copyrights and trademarks

Specific target group:

- Researchers, M.Phil, PhD, Post doctoral fellows
- Scientists, faculty members
- Technologists
